### THE MODOCS.

Atrocious and Disgraceful Massacre of Modoc Prisoners by Oregon Velunteers.

Men, Women and Children Murder ed in Cold Blood.

San Francisco, June 9.-Dispatcher from Boyles Camp, dated yesterday, re-late the particulars of the atrocious massacre of the Modoc prisoners, supposed to be done by the Oregon volunteers. Saturday morning James Fairchild and abount twelve other men, left Fairchild's ranche, Cottonwood Creek, with about seventeen Modoc captives, women and children, including Shack Nasty Jim, on Lost river the party encountered the Oregon volunteers, under command of Capt. Hizler. The soldiers gathered about the wagon and questioned Fairchild's. The latter told him the Modoca were all Hat Creeks except Little John Son, be found by the carriers, there will be no Fairchild undertook to push on to Boyle's difficulty, we apprehend, in having the camp, and the volunteers retired to free delivery system introduced here. In camp near Crawleys. On the road he connection with the delivery of letters, noticed men ahead riding to Rocky Point bere would be a system of letter boxes in as if to intercept him. When the team ratious parts of the city for the collection approached, one of the men presented a

Affairs on the Mexican Frontier.

ST. LOUIS, June 9 — Dr. D. H. Williams who has resided in the State of Coshiula, Mexico, for the last two years has reached here and gives some account of affairs in that country. He confirms the capture of Gen. Lesado, the rebel chief, and states that he was immediately and the confirms that he was immediately in the confirms the capture of Gen. Lesado, the rebel chief, and states by which the Indian marauders upon either side can be followed across the either side can be followed across the river and punished by the Mexicans, it the outrage is committed upon its soil, as in the case of the Americans in the Kickapon affair. The Dr. apprehends that the Mexicans will use the latter as a precedent and pursue the fugitives on this side of the Rio Grande. They will be sure to avail themselves of the examples of the the Americans. If put disa be sure to avail themselves or the callest by the Americans. If not disavowed this will eventually lead to trouble and plunge the frontier into a war. Such a result would, however, be hailed by many as desirable, as it would lead to the carving out of another fat alice from the sick man on our southern border. There was a cloud of dust, indicating the apthe dust, and in a moment were riding are, however, efforts being made by some are, however, efforts being made by some of the leading parties on the Mexican side of the Rlo Grande, which may lead to negotiations for the annexation of more Mexican territory in order to strengthen the boundary line and by which Mexico will be enabled to pay her debts. The territory coveted for this purpose embraces the States of Nuevo, Leon, Coahinla, Chipuaha, the north end of Durango, Sonora and Lower California, known as the Mexican frontier States. This would tery G, 4th artillery, with ten men and mained with his men on the ground. Fairchild, a teamster, the wounded squaw and her two children came in at two clock this morning. Fairchild went to Sonora and Lower Cantiorins, shown as the Mexican frontier States. This would shorten the boundary line one half over the present meanderings of the Rio Grande and leave a frontier that would be much more easily protected by both nationalities, whereas it is almost impossible to do with the present houndaries. sible to do so with the present boundaries guilty parties. Madrin, June 9.—The following is an accurate account of the sitting of the Assembly:

After passing a resolution proclaiming a republic, adjourned until evening, for the purpose of completing the formation the purpose of completing the formation. a republic, adjourned until evening, for the purpose of completing the formation my clothes around the ancada girl, she three chairs, but the cooking girl, she flung them under the table. So now I go

of a new ministry.

At 7 P. M. the House reassembled and lining them under the table. So now I go wrinkled, and the boys chase me to smooth out the wrinkles. I don't skip over any button-holes in the morning now, so my jacket comes out even. Why didn't you tell me I had a red head? They said they'd pull my hair lift weren't for burning their fingers. Dorry said he guessed my hair was tired of standing up, and wanted to lie down to rest. I wish Senor Figureas opened the debate. He advised the Republicans to be united and warned them that division in their ranks would prove fatal to the cause they held

The question then came up whether the Ministers proposed by Senor Margal should be voted on color or separately. An excited discussion followed which was accompanied with frequent scenes of and wanted to lie down to rest. I wish you would please send me a new comb, for the large end of mine has got all but five of the teeth broken out, and the small end can't get through. I can't get it cut, because the barber has raised his price. confusion.

Send quite a stout one. I have lost two of my pocket handkerchiefs, and another went up on Dorry's kite and blew away

ture difficult?" The artist replied "Why bless you, no. You have only t take a block of marble and a chisel, and knock off all the marble you don' want" A great uproar followed and could only be silenced by Sepur Figures, who re-

A great uprost followed and could only be silenced by Senor Figueras, who rose to move that the ministers be directly chosen by the Cortes.

The motion for a secret session was then resumed and adopted, and at midnight the

galleries were cleared and the reporters excluded. Around the palace the streets were filled with an excited throng, and within the chamber the greatest agitation prevalled. It was rumored at one time prevailed. It was rumored at one time that an armed crowd had entered into the palace and threatened to break into the hall. Moreover a fight between the military and the people in the streets was momentarily expected. Castelar and Figureas succeeded in restoring calm in the chamber, and exerted themselves to good effect in restraining the populace. good effect in restraining the populace utside. There being no prospect of an agreement between the deputies as to the composition of the new ministry, Figureas, Castelar, and Margal were successively ready stated. It is generally covered by Castelar, and Margal were successively insurance. Several persons have been injured—some seriously.
